SKIPPY SAYS

Cook Up A Happy Holiday

Part and parcel of every holiday season are the homemade goodies warmly made for giving but also for family and friends to eat and enjoy. If there are neighborhood children you want to remember at Christmas cook up a batch of traditional sweets with built-in child appeal. For example, turn chocolate fudge into peanut butter chocolate fudge and popcorn balls into peanut butter popcorn balls. Instant appeal! But more than that, peanut butter adds an extra goodness to holiday sweets. It is a nutritious food rich in good quality protein. From reading the label on a jar of Skippy peanut butter you'll also discover that it is an excellent source of niacin, a B vitamin.

Chocolate Peanut Butter Fudge: Pour ½ cup milk into a saucepan. Add ½ cup margarine and 3 squares (3 ounces) unsweetened chocolate. Cook over low heat, stirring constantly, until margarine and chocolate are melted and mixture is blended. Remove from heat. Stir in ½ cup creamy or chunk style peanut butter, 2 teaspoons vanilla, ¼ teaspoon salt and 1 pound confectioners sugar.

Peanut Butter Popcorn Balls: In a 1-quart saucepan, mix together ½ cup light corn syrup and ¼ cup sugar. Cook over medium heat, stirring constantly, until mixture comes to a boil and sugar is completely dissolved. Remove from heat. Stir in peanut butter until smooth. Immediately pour mixture over 2 quarts popped corn in large bowl. Stir until evenly coated. Grease hands and shape into 10 (2-inch) balls.

APPINGHAM

The pastor of Pleasant Grove Baptist Church, Rev. David Hubert Justus, went home to be with Jesus on Wednesday, December 13, 1972 at 9:30 p.m. Funeral services were held in Dunkum Funeral Chapel, Dillwyn on Saturday at 2 p.m. Interment was in the cemetery of his beloved church.

He was a man of God who preached the truth no matter what the consequence and lived his life accordingly. His eulogy, delivered by Rev. Frank Johnson, was a glowing tribute to a man who had little formal education and little of the worldly goods but one who was blessed by a great capacity to love, preach God's word and be a good friend to his fellowman. He will be greatly missed. Heartfelt sympathy is extended to his family.

Mr. and Mrs. Paul Lewis of Cumberland annouce the birth of their second son, David Paul, born on Monday, December 11, 1972. Maternal grandparents are Mrs. Helen Justus and the late Rev. David H. Justus of Buckingham.

The annual Christmas play was presented at Pleasant Grove on Sunday, December 17 at 5 p.m. (The play was not canceled at the request of the pastor's family). The play "Away in a Manger" was compiled and directed by Mrs. Pauline K. Gunter and co-directed by Mrs. Audrey G. Ragland. It was dedicated respectfully to the memory of Rev. David H. Justus. Hopefully, it was a blessing to his family and a glory to God.

The P. M. Gunter family were Sunday supper guests of Mr. and Mrs. Roy Gunter in Farmville.

Joey Tompkins of Delaware is spending some time with his sister, Mrs. Judy Lester.

Mrs. Gertrude Page and family members attended the Mason-Wingfield wedding at Memorial Christian Church, Lynchburg on Saturday. Miss Candace Mason is the grand daughter of Mrs. Page.

Where is he that is born King of the Jews? For we have seen his star in the east, and are come to worship him. Matthew 2:2

Last Sunday Dr. Tom Jennings of Bedford visited his mother; also Mr. and Mrs. George Jennings of N. C. spent the week end.

Mrs. Elsie Thornhill left this week for Michigan to spend the winter with her daughter and her family, Mr. and Mrs. Tom McVetty. We will really miss her at church.

Everybody is busy getting ready for the holidays. Soon Christmas will be here.

Mrs. Nina Caldwell and Mrs. Elsie Caldwell spent Saturday with Mrs. Bob Harris at Pamplin.

Mrs. Wilson Garrett, Mr. and Mrs. John Ferguson, Sr., Mr. and Mrs. Twyman Coleman, Mr and Mrs. Ben Wheeler, Mr. and Mrs. H. B. Jones, Irby and Richard were visitors over the week end of Mr. and Mrs. I. B. Wheeler.

BE ALERT – TEST TREE LIGHTS

Test your tree lights for defects that could cause them to spark. Look for frayed wires and loose or faulty sockets. Turn the tree off before retiring. Discard the tree, outside the house, when needles begin to fall.

Certain toys present a special problem at Christmas. The United States Public Health Service estimates that toys injure 700,000 children every year.

The Food and Drug Administration recently banned 30 toys from the consumer market on grounds they were hazardous to children because they had sharp points and edges and dangerous removable parts. In a "safe-Christmas" drive last year, the FDA banned 187 toys. But many potentially lethal toys are still on the store shelves, and one FDA official conceded that "no FDA regulatory program can protect a child from all dangers."

Parents should recognize: The "toy" ovens, irons and grills can inflict serous burns; that sheet metal toys such as model gas station kits may have razor-sharp edges; that loud caps used in some toy pistols can impair hearing; that toys with long cords can strangle; that plug-in toys can cause shock and burns, and that sharp removable hair pins, wires, and spikes frequently used to hold together stuffed animals and dolls can cause blindness or death.
